

**NASSAU COUNSELORS'**

**ASSOCIATION**

February, 2010

Dear School Counselor Intern:

The **Nassau Counselors' Association** is pleased to invite you to our **Intern Workshop**. Surviving your internship and the transition to full time work can be everything from stressful to rewarding and Nassau counselors Association is here to support you!

You are invited to join us as we meet in small, casual group-settings for breakfast and a discussion with veteran counselors on what first years of being a counselor can be like. Topics will include: what to expect in your first year, special needs students, the post-secondary experience, elementary and middle school issues and where to get the help you need.

This year's workshop will be held on  
**Friday, March 12, 2010 from 9:00am – 11:00am**  
in the Hall of Fame at the New York Institute of Technology

This conference is open to school counseling interns who live, intern or go to school in Nassau County. There is no fee for this conference. We will have a light continental breakfast. Please dress in "casual business attire." We hope you will join us for this chance to meet new and veteran counselors from Nassau Counselors' Association and understand the benefits of becoming a part of your professional counseling organization. Please e-mail Melissa Rose at [mrose@hewlett-woodmere.net](mailto:mrose@hewlett-woodmere.net) to R.S.V.P. no later than **March 5, 2010**.

Sincerely yours,
