# PRESIDENT'S WELCOME

Dear Members,

It's hard to believe that the holiday season is upon us and that we are already preparing to enter 2015!! Time really does fly when you are having fun! I am feeling fortunate during this holiday season to be leading such an exceptional group of professionals through Nassau Counselors' Association. As I reflect on the work that we do together, I am in awe of how much is accomplished through our collective volunteer efforts!

The last few months have certainly been busy for NCA. In September, we held a successful Fall Expo which served approximately 3000 students and 207 colleges. This event was exceptionally well run, due to the leadership of Mary Marquez-Bell and Cynthia Rossi, and the hard work of their committee members; especially, Jackie Forman, who recruited, organized and led the many volunteers. In October, we held our Kick-Off Meeting, which was chaired by Kim Vereline. This event proved to be a wonderful networking and professional development opportunity for our members, and featured a fantastic speaker from the College Board, who offered the latest information available on the redesigned SAT and graciously responded to some excellent questions from the audience. As president, I want to thank everyone involved in making these signature events so successful.

For those of you who attended the Kick-Off Meeting, you heard me say that we have set a membership goal of 650 for the 14-15 year. I am thrilled to report that we have reached 600 members! I would like to acknowledge Christina D'Angelo for her diligent work as membership chair and encourage all of you to suggest that your colleagues, who are not part of our organization, to please consider joining. Before closing, I would also urge every one of our existing members to consider joining a committee; I promise that you will find your experience rewarding and productive! If you have any questions about becoming involved, please visit our website at [nassaucounselors.org/involved](http://nassaucounselors.org/involved).

On behalf of Nassau Counselors' Association, I want to thank all of our members for making NCA a part of their lives and wish everyone a joyous holiday season and a happy, healthy new year!

Best wishes,

Christine Murphy,

NCA President 2014-2016

# NCA KICKOFF MEETING

Kimberly Vereline, Molloy College

On Tuesday, October 14th, Nassau Counselors' Association kicked off the beginning of what certainly will be another successful year. Members of NCA gathered at The Jericho Terrace to network with colleagues, enjoy excellent food, and hear a great speaker.

After catching up with friends, the program began with an introduction from the President of NCA, Christine Murphy. Christine graciously welcomed everyone and spoke about our organization and the benefits of becoming involved. Marguerite Lane, Dean of Admissions at Molloy College, also welcomed everyone and spoke a little bit about the new happenings at Molloy College.

This year the committee decided to invite a representative from the College Board to speak about the new changes to the SAT coming in 2016. Emelyn Ebeyer, Senior Director, Training & Outreach for SAT & PSAT/NMSQT Assessment Programs, spoke about the 8 key changes to the new SAT. No penalty for wrong answers seemed to be a favorite with the crowd. She also spoke about the focus areas for each section. Everyone seemed to enjoy the evening and hopefully take home something from it. Because of the technical difficulties, the Powerpoint was not

working, but we have posted it on our Nassau Counselors Association's Website at [www.NassauCounselors.org](http://www.NassauCounselors.org) and it is on the main page, under "Past Events" → "Kickoff".

Overall, the evening was a great success. The food, atmosphere, entertainment and fantastic guests, made for a relaxing and enjoyable kick-off event. Judging by the feedback from several people, the program received positive feedback. Thanks to everyone who participated in planning this event. Special thanks to all of those people who took time out of their hectic schedules to attend. It would not have been a success without you. For those folks who couldn't make the meeting, you were missed, and we hope that you will join us at our next NCA event.

# FALL 2014 COLLEGE EXPO

Sunshine greeted the over 3,000 students and parents who visited SUNY Old Westbury's campus for NCA's 34th Annual Fall College Expo on Sunday, September 21, 2014. Representatives from more than 200 colleges were on hand to share information about their schools. In addition, workshops were presented on Financial Aid, Preparing for College Admissions, Students with Special Needs, and NCAA guidelines for the College Athlete.

Our workshop presenters played a key part in our expo and I would like to thank Jackie Nealon from LIU, Judy Berhannan from Stony Brook University, Robert Houlihan from Molloy College, and Allen Tinkler and Linda DeMotta, consultants for Students with Learning Disabilities and Other Special Needs. Many of the workshops were standing room only and comments from the attendees were that they workshops were very worthwhile.

This year we continued the practice of students preregistering for bar codes which college reps scanned to capture the student information, thus saving them the time of completing informational cards. This was also our second year where students could use their smartphones to register and produce the bar code. The response from the college representatives was overwhelmingly positive and they said that this allowed them more face-to-face time with parents and students. While we did see an increase in the amount of students who had preregistered and came with their bar codes, there still were many who had to stop at our registration tables to complete this task. It is our hope that all high schools counselors will encourage students to preregister and stress its importance and benefit to the students. This simple task of coming prepared eases the anxiety of attendees and allows them more time to visit with more college representatives. I must thank Frank Pizzardi and Tom Rogers who supervised the installation of all the computers with the BOCES staff and ensured the smooth process of registering the students. Also, Ray Polk and his son helped keep the lines moving at the student registration tables and it certainly was a faster process than in prior years.

Putting on an event of this size entails a great deal of time and effort and it would not have happened if not for the support of our committee members: Frank Pizzardi and Mary Marquez Bell – Co-Chairs, Kathy Corbett, Robert Germino, Donna Katzman, Tom Rogers, Gloria Schetty-Plante and Sara Taiclet. The committee met several times throughout the summer, planning the various components of this event and stepping in when some committee members were unavailable. Each year under the guidance of Mary Marquez Bell, Vice President of Enrollment Services, SUNY Old Westbury donates the use of their facilities and staff for the expo. This is a large cost savings for our association and provides an optimal location for this event. It is also rewarding to each year work with a dedicated group of SUNY Old Westbury students on both Saturday and Sunday who helped in many capacities. Hard working and extremely capable, these young people are a wonderful reflection of the caliber of the Old Westbury student body.

The backbone of our success are the volunteers who manned tables, distributed materials, helped register college reps and distribute the scanners, made announcements, introduced workshop speakers, distributed water to reps, helped at college search tables, manned computers, helped visitors navigate the aisles and filled in wherever there was a need. A great deal of thanks must go to our volunteer coordinator Jackie Forman who did an amazing job. She strategically assigned volunteers to various posts and this allowed for a smooth response to any emergencies. It is always difficult to ask someone to give up precious family time on a Sunday afternoon; however Jackie was successful in reaching out to our membership and securing over 30 volunteers. Additionally, we had a small group of our long time volunteers come in on Saturday to help with the setup of tables, stations, etc. so that we would be ready for Sunday.

The profits generated by the Fall and Spring Expos fund our high school and counselor education scholarships, and the speakers' fees at CAP and our other programs. As a long-time NCA member it is gratifying that our association can offer high school students and parents the opportunity to gather information and speak with college representatives in order to make informed college decisions. Considering the fact that everyone involved is a volunteer, it is truly heartwarming to evidence such com-

While not a complete list, these are the loyal volunteers who helped make our expo such a great success: Courtney Bishop, Gerard Carroll, Joanna Cavallo, Wendy-David-Gaines, JoyD'Anca, LorrieDirector, MarisaDiMartino, KristenDomeischel, NicoleDurante, JustineGol-loub, MikeHearne, NicoleIndelicato, Joelzso, JenilleJohnson, PamelaJoyce, DonnaKatzman, KiranKaur, Marina-Koulaklis, MelissaKreinin, AbenieLazard-Edma, Susan-Martin, StephanieMueller, Donna EmmaOrleman, RayPolk & son, NicoleRaiola, TomRogers, ChristineStamberg, MariannaTelese-Femia, DawnWorthen, EricaZdanio.
