### Why should students pre-register?

Maximize Students' time at the fair

- Students can visit more colleges / universities
- Students provide information one time
- Information is accurately and quickly captured
- Paper free, environmentally friendly solution

A streamlined process for students and colleges

### The benefits of online student registration

Students register online. Entering the information one time allows the student to elaborate on special interests, extra-curricular activities, and accomplishments.

Universal Student Registration  
Multiple Events in Various Venues

When you register for Go To College Fairs (a division of TRC), you are providing personal information. This information will be provided exclusively to those colleges and/or universities that you choose at the College Fair. By allowing a college or university to record the electronic bar code on your admittance pass, the registrant agrees and gives permission that all personal information will be shared with those colleges or universities. TRC does not sell, rent, or lease any registrant information to third parties.

### How can counselors help?

Schedule meetings with students to prepare for the fair and encourage them to pre-register online to be sure everyone is ready for fair day.

After completing the online registration form, the student will print and bring the barcoded pass to the fair. College representatives will scan the barcode to receive student data that is always correct, complete and legible; no more messy contact cards. As the student takes the barcode from table to table, he/she will have more time to discuss academic information, background and future goals with the college representatives.
