

NASSAU COUNSELORS'

ASSOCIATION

SPRING COLLEGE EXPO

Dear Colleague,

Each year as *your professional organization*, the **NASSAU COUNSELORS' ASSOCIATION** provides an outstanding resource to benefit students and parents at our Spring College Expo. This event brings over 300 colleges, universities, and post high school program representatives from around the United States to our backyard.

The Spring College Expo offers:

- **One-to-one conversations with school and program representatives**
- **Experienced counselors to assist in the college search process**
- **Valuable seminars and information tables explaining concepts such as financial aid, the college admissions process, college search, NCAA, students with special needs, and historically black colleges and universities.**

With this letter, you will find a “*Save the Date*” publication and poster detailing this wonderful event. We ask that you kindly display the enclosed posters and duplicate this informative handout, on your school website, through your school wide e-mail system and disseminate to your students and parents in individual meetings or any other creative way that you deem effective in your school! **We will also e-mail you this letter and post it on the “Spring College Expo” section of the NCA website to allow for easier reproduction!** Additional promotional material will be updated on the website on an ongoing basis.

****PRIOR TO THE EVENT, students are strongly encouraged to register and receive a barcode at gotocollegefairs.com. This barcode can be scanned from any smart phone and will greatly enhance their expo experience!**

Your assistance in promoting and utilizing this amazing opportunity for students and parents is GREATLY appreciated. Please check our website at www.nassaucounselors.org for the most updated information.

We look forward to seeing you and your students
