Date: September 21, 2021

Time: 5:00 pm - 8:00 pm

Location: Virtual

The Nassau Counselors' Association (NCA) is proud to present the 2021 Fall College Expo! This year, the event will be offered virtually with attendance from a variety of colleges and universities offering their time and knowledge to students and families from Long Island.

This is a **free service** with the goal of targeting students of all ages, especially those in grades 11 and 12, who continue to discern their post-secondary plan. The NCA understands the challenges faced throughout this pandemic, which is why we are thrilled to be able to offer this event in a thorough and safe manner.

The NCA is proud to have NOVVA Tech working with us to provide this college fair experience. Their unique platform allows students to have productive one-on-one conversations with admissions officers with high quality technology. Students can search the entire event attendance to find the right institution to fit their individual needs in an effective manner. *In addition, NOVVA awards two prizes to students: One \$1,000 scholarship or One roundtrip ticket and accommodation to their dream college campus with a parent/guardian.*
