

# NASSAU COUNSELORS' ASSOCIATION

# SPRING COLLEGE EXPO

Dear Colleague,

Each year as *your professional organization*, the NASSAU COUNSELORS' ASSOCIATION provides an outstanding resource to benefit students and parents at our Spring College Expo. There will be an extensive array of universities and colleges offering their time and knowledge to support the students and families of Long Island. We are fortunate that this event will be returning to Hofstra University for 2023!

### The Spring College Expo offers:

- **One-to-one conversations with school and program representative**
- **Experienced counselors to assist in the college search process**
- **Information sessions for the students with disabilities, financial aid and the student athlete**

With this letter, you will find a "Save the Date" publication and poster detailing this wonderful event. We ask that you kindly display the enclosed poster and duplicate this informative handout, on your school website, through your school wide e-mail system and disseminate to your students and parents in individual meetings or any other creative way that you deem effective in your school! **This letter will be posted on the "Spring College Expo" section of the NCA website to allow for easier reproduction!** Additional promotional material will be updated on the website on an ongoing basis. The attached poster provides a direct link to the registration page if you would like to promote the fair electronically.

Your assistance in promoting and utilizing this amazing opportunity for students and parents is GREATLY appreciated. Please check our website at [www.nassaucounselors.org](http://www.nassaucounselors.org) for the most updated information.

**We look forward to seeing you and your students!**
