

Dear Nassau Counselors' Association Members,

Finding alternative ways to serve your students and school community has been challenging.

Let's honor those who have taken the lead

DO YOU KNOW A COLLEAGUE WHO IS DOING SOMETHING EXCITING?

*If you know someone who is a hero,
someone who is facilitating an innovative program,
nominate them for our Exemplary Practice Guidance Award or Mini-Grant Award*

EXEMPLARY PRACTICE GUIDANCE AWARD:

Designed to recognize a noteworthy accomplishment of a counseling staff in Nassau County Schools. The implemented idea must be innovative, specific, currently in practice and easily adaptable to other schools. A detailed description of the practice and any supporting materials must be submitted. Any questions about the guidelines can be directed to the Chair by sending an email to Seeta.Ramprasad@ncc.edu

An observation visit to the program by an Exemplary Practice Guidance committee member will be conducted, if deemed necessary.

MINI-GRANT AWARDS:

Designed to award grant money to worthy counseling programs that show time, training, and materials needed for the successful initiation, completion, and replication. The purposes of this program are to encourage the implementation and expansion of innovative counseling programs or projects; promote the positive image of school counselors and admission counselors through public relations and new ideas and to put available funds to use professionally. If your program is selected, you can receive up to \$500 in grant money. A detailed description of the practice and any supporting materials must be submitted. Any questions about the guidelines can be directed to the Chair by sending an email to Seeta.Ramprasad@ncc.edu

Winners for each award are encouraged to present their programs at the 2024 Long Island Counselors' Annual Conference (LICAC).

If you have any questions about the awards and criteria, please contact the Chair, Seeta Ramprasad.

Look forward to hearing from you!
